

## Our City Festival 2014

### Completion of ChildSafe Training & Child Protection Code of Conduct

As a staff member / Youth Ambassador of Our City Festival 2014,

I, \_\_\_\_\_, realize my important role in actively protecting children from sex tourism, other forms of abuse, and dangers related to the event.

I have completed the ChildSafe training on Sunday, 22 December and agree to the following Code of Conduct:

-  Never physically or verbally assault or abuse a child
-  Inform the appropriate authorities if I witness or suspect any form of child abuse (including physical, sexual, and emotional abuse) committed by a co-worker or guest
-  Take appropriate action to stop any situation of child abuse if this does not put myself at risk
-  Never provide any source of information promoting child prostitution, child pornography, illegal international adoption or child exploitation (inclusive of orphanage and slum tours)
-  Avoid, to the best of my knowledge, advising clients to go to destinations that tolerate child prostitution or exploitation
-  Provide information regarding ChildSafe to people in the event
-  Commit to protect children and take appropriate action in both my work and home community

I understand that violating this Code of Conduct will lead to severe consequences and potentially mean immediate termination of working within this event.
